

 <p>DEFOND / WISE ALLY Contract manufacturing, vertically integrated design and manufacturing technologies in plastics, molding, metal forming, plating, SMT reflow, and custom electronic assemblies in all industries. Water resistant connectors & cable assemblies. Works with customers of all sizes. Factories in China, Malaysia, and the USA.</p>	 <p>E-SWITCH E-Switch switches have served the telecom, high tech, medical, electronics, instrumentation, industrial, audio/visual, appliance and consumer markets since 1979. Products: tact, anti-vandal, pushbutton, rocker, toggle, slide, DIP, rotary, keylock, snap action, power, illuminated switches, & switch cable assemblies.</p>	 <p>INTERACTIVE DISPLAY SOLUTIONS IDS is a leading flat panel LCD display solution provider since 1997. Products range from STN monochrome to IPS TFT, E Ink and AMOLED displays. Services include performance and durability enhancement of LCDs to a custom All-In-One touch screen computer. Serving aviation, marine, military, medical, and industrial markets.</p>
 <p>LUMEX For over 30 years, Lumex, a member of the ITW Group, has been a global leader in the optoelectronics industry. With the broadest range of high efficiency, high performance LEDs and LCDs in the industry, Lumex provides thousands of standard products and specializes in semi-custom and custom designs.</p>	 <p>JAE Japan Aviation Electronics Industry, Ltd. JAE CONNECTORS Since 1953, JAE has developed various types of connectors for a wide range of applications. Custom and standard connectors, docking, flex/cable to board, rectangular, I/O (USB-C, Thunderbolt, HDMI), board-to-board, memory, M.2, SIM card, automotive, circular, waterproof, power, and high current offerings.</p>	 <p>NETLIST Netlist is a leading supplier of memory products that includes NVMe SSDs (form factors: AIC HHHH, U.2, and M.2), Memory Modules, Non-Volatile Memory DIMMs (NVDIMM-N), Flash Cards, and Storage Class Memory (SCM) DIMM. Netlist has strategic partnerships with Samsung & SK Hynix and stocks their products as well.</p>
 <p>METHODE DATAMATE dataMate®'s high performance pluggable copper transceiver modules for high-speed data links achieve data transfer rates rivalling fiber-optic speeds. SFP & SFP+ modules (G.hn & Gfast technologies, 10BASE-T to 10GBASE-T); fiber link extender (micro-DPU); and accessories such as electrical loopbacks, cages, and host connectors.</p>	 <p>METHODE POWER SOLUTIONS Methode Power Solutions products meet the requirements of many high-demand applications. Bus bars; power cabling/connectors/contacts; PowerRail®; thermal management; subassemblies; high voltage switchgear. Markets: EV, Mil/Aero, data center, industrial, robotics, energy storage, power conversion.</p>	 <p>DB UNLIMITED DB Unlimited is the world's leading audio solutions manufacturer with over 40 years of industry experience. They have the largest and most comprehensive offering of audio components in the industry. Indicators, Transducers, Speakers, Microphones, Piezo Benders, as well as custom solutions.</p>
 <p>RADIALL / TIMBERCON Radiall produces multipin, industrial, optical, RF, & outdoor connectors and assemblies, RF microwave switches, active optics, antennas, microwave and space qualified components. Timbercon designs and assembles fiberoptic & hybrid cable solutions for datacom, medical, industrial, military, & aerospace industries.</p>	 <p>Y.S. TECH Yen Sun Technology Corp is your #1 source for thermal management products. Established in 1987, YS Tech designs and manufactures high performance DC fans, AC fans, blowers, cross flow fans, heat sinks, and fan accessories. Industries served are medical, automotive, lighting, industrial, and alternative energy.</p>	 <p>TT ELECTRONICS TTE's brands include AB Connectors, Optek Technologies, BI Technology, and many more. Power components (transformers, chokes, inductors, etc.), sensors (optoelectronics, flow, level, pressure, temperature, steering), passives (encoders, trimmers, resistors, potentiometers), connectivity. Mil/aero, medical, industrial, auto.</p>
 <p>UDE CORP UDE is a leading global manufacturer of RJ45 products (single/multi-port/combo-USB, 100-10GBase-T MagJack with integrated magnetics and pure RJ45 without magnetics), SFP+/+28, QSFP+/28/DD, discrete LAN magnetics, cables (high-speed, AC power, FFC/FPC, harness, I/O), dongles, LAN surge protector, silicone parts.</p>	 <p>ZEUS BATTERY PRODUCTS ZEUS manufacturers standard and custom battery packs in all battery chemistries: Alkaline (ZnMnO2), Lithium (Li-Ion, Li-Poly, LiFePO4, LiMnO2), Nickel Metal Hydride (NiMH), Nickel Cadmium (NiCd), Lithium Manganese Dioxide (LiMnO2), Sealed Lead Acid (SLA), Deep Cycle Sealed Lead Acid, Silver Oxide (ZnAg20). UL/IEC.</p>	 <p>SURGE COMPONENTS / LELON Surge Components is a leading supplier of electronic components since 1981. Products include aluminum electrolytic capacitors, film capacitors, MLCC, and discrete semiconductors. Surge's production capacity is amongst the largest in the industry, and Surge's products are AECQ compliant for automotive applications.</p>
